On foot:

If you come from the airport, you can follow the signs to CFF Cointrin station. Walk in the direction of Migros past all the shops. If you are in front of Migros, you can take the exit to the right of Migros. Follow the signs to Parking CFF. After about 70 meters, opposite the Mobility car parking, you will find an elevator. Take it to the 2nd floor. The Catch a Car parking spaces are located directly at the elevator exit.

- **P+R CERN : We have 2 permanent parking spaces at P+R CERN**

GPS information : Chemin de Maisonnex, 1217 Meyrin

Directions to P+R CERN

By car: Leave the roundabout on the road towards Meyrin, turn right about 100 meters before CERN Globe. The barriers will open automatically with a license plate reader. If, exceptionally, all parking spaces should be occupied, please call our 24h/24 central office on 0848 824 000, which will immediately suggest an alternative.

On foot: The parking spaces are located opposite the tram stop " CERN ".

Temporary parking prohibition

If a sign announces a temporary parking prohibition at a location, it is forbidden to park the car 12 hours before the beginning of the temporary prohibition according to the instructions on the signs. On a sign announcing, for example, a parking prohibition from 6 am in the morning, we ask you not to park the car there the day before after 6 pm.

Stopovers during the journey **Parking according to parking rules and at your own expense**

- If you wish to park the vehicle outside the Catch-Car-Zone while driving, you must at your own risk observe the local parking rules and pay the appropriate fees (parking meters, parking card, etc.).
- Within the Catch-Car-Zone the above rules apply.
