

Fair play

Membership card

Your membership card is personal and non-transferable.

No smoking

All Catch-Cars are no-smoking vehicles.

Clean on the inside and outside

Catch a Car ensures that all vehicles are kept clean and undergo regular maintenance. Clearly visible soiling that a customer has caused themselves has to be removed by the customer during the reservation period at their own expense.

Pets in Catch-Cars

Pets are allowed to travel in a Catch-Car. However, please be absolutely certain to use an appropriate transport container or your own blanket when transporting your 'four-legged friends'.

Damage

Check the vehicle for any potential damage before setting off. Report anything you find to the 24h Service Center on 0848 824 000 before you start your journey. Catch a Car can hold you responsible for any damage you do not report. If you damage the car yourself, please report this immediately to the 24h Service Center on 0848 824 000.

Parking

When you have finished using the car, park the vehicle in a parking space allocated to Catch a Car inside the Catch-Car zone. You can of course travel outside the Catch-Car zone and make interim stops there, too. See our website for a detailed overview of parking regulations.
