

Parking rules – pwc-Area

Location of the car parks

The rented parking spaces are located on the parking area of the pwc, at St. Jakobs-Strasse 25, 4002 Basel – right next to Aeschenplatz. The entrance to the car parks is via Gartenstrasse (marked yellow). The parking spaces reserved for Catch a Car (Nr. 10 and 11) are marked accordingly and are reserved only for Catch-Cars.

Access to the parking spaces

During the pilot phase, parking spaces can be accessed through the regular driveway at the Gartenstrasse. In order for the barrier to open, the reception must be called through the door control. With the Keyword "Catch a Car" the barrier is opened and it can be driven into the area.

Hint:

Parking spaces can only be accessed during reception hours, Monday – Friday, 07:00 – 18:00. However, a Catch-Car can be booked at any time and driven away from the parking lots (barrier opens automatically). If both parking spaces are occupied, there is no entitlement to a free parking space. It is not allowed to park next to or behind the Catch-Car parking lots. It is also forbidden to park on other free parking spaces in the area.
